Dear Matrix Family and Friends:

For more than a decade, the **Angel Tree event** has brought joy, dignity, and connection to thousands of children and families across Detroit—thanks to the compassion and generosity of donors like you.

As one of Detroit's oldest and most trusted human service organizations, **Matrix Human Services** has been touching hearts and changing lives for 120 years. Founded by the League of Catholic Women with a bold mission to uplift our community and fight poverty, we proudly continue that mission today—especially during the holiday season.

This year, you have the power to make a child's holiday brighter. By **adopting a family through Angel Tree**, you'll provide not just gifts, but also hope, love, and the reassurance that our community cares. Together, we can make sure that parents and children facing hardship still experience the magic and warmth of the season.

Will you join us in making this holiday unforgettable for a Detroit family in need?
